### AREA OF SPECIALISM:

Web design, Web Building, DVD/CDRom Authoring, Video Camera, Final Cut Pro Editing, Photography, Photoshop, Wordpress, Illustrator. Indesign, XHTML, CSS, PHP and Javascript

### PERSONAL STATEMENT:

I'm a conscientious and highly motivated person. I have been working as a filmmaker & web developer for the last 2 years with Lippy Films & Lippy People. Throughout this time I have developed a passion for collaborative media with people who are disenfranchised, marginalised and ignored. I have seen the impact of the work that I have done, have impact on people and this has led me to being committed to collaborative media production. In addition I'm still a young person and a lot of my work has been working with young people and I take my responsible of a positive role model seriously.
